

Basketball

Hustling down the smelly court,
Why I play my favorite sport,

My favorite sport is basketball,
And I hate when the referee makes a bad call,

Win or lose were always a team,
Even though it might not always seam,

Passing to my friends and shooting it Up,
When we win I feel like my heads going to erupt,

Basketball is so much fun and that is all,
Hopefully next time the referee won't make a bad call.
